### The Destructively Fierce Woman

1. She's established herself as her **own authority**. Her identity flows from the faulty perception that she's in charge of her life, and her independence is her highest value.
2. She's always pulled by the **lure of "more."** Her desires are never satisfied.
3. She's unaware that **ingratitude, pride, and fear** are the driving components of her life.
4. She lives with a **self-centered agenda**.
5. She longs for love and affection, but can **come out swinging** if rejected!
6. She goes to battle often, mistaking her **belligerence for heroism**.
7. She **grabs for power** and no one and nothing prevents her from getting her way.
8. She uses her strength to **bully others**. Her continual criticisms, negative perspectives, and harsh tones are like acid.
9. She's **harsh and blunt in her honesty** and proud of it.
10. She is **often involved in conflicts** with others.
11. Her **Bible study is merely academic**; it doesn't affect how she treats others.
12. She usually has no trouble confronting, but **her motive is for personal gain** or comfort, and her approach is demeaning.
13. She walks in arrogance and pride but is **blind to her lack of humility**. She views meek behavior as a sign of weakness. She sincerely believes her personal conflicts stem from others' ineptness, lack of spirituality, or inferior behavior.
14. She **craves power over others** and has mastered the art of controlling them through subtle manipulation.
15. Although she may not admit it, her life is **devoted to selfish pursuit**. She's only satisfied when she gets her own way; she's unhappy with anything less.
